5 Things to Do After a Car Accident

Quick Checklist

1 Make Sure Everyone Is Safe

Check yourself and passengers for **injuries.**
Move to a safe place if possible and switch on **hazard lights.**
Important actions include:

2 Call Emergency Services If Needed

Dial **999** if anyone is injured or the road is unsafe.
Police may need to attend serious collisions.

3 Exchange Details

Collect the key information:

- ☑ Name and address
- ☑ Vehicle registration number
- ☑ Insurance details
- ☑ Contact number

4 Take Photos and Record Evidence

Use your phone to document the accident scene before any vehicles are moved:

- ☑ Damage to all vehicles
- ☑ Road layout and traffic signs
- ☑ Vehicle positions
- ☑ Any visible injuries

5 Speak to a Solicitor

If you have been injured, legal advice can help you understand your rights and what steps to take next.

A solicitor can review the circumstances of the accident and guide you through the claims process.
